In the Matter of

SALT RIVER WATER DISTRICT       )  
APPLICATION FOR RATE INCREASE    )

CASE NO.  
8147

O R D E R

On June 1, 1981, Salt River Water District, ("District"), by counsel, filed its Motion for Extension of Time to comply with the Commission's Order entered May 7, 1981, which directed the District to submit essential information. As grounds for the motion, it is stated that failure to comply with the Order was the result of excusable neglect.

The Commission having considered the motion and being advised finds that:

1. Sufficient time was granted the District to submit the information set forth in the Commission's Order entered May 7, 1981, and no compelling reason has been advanced to support the request for an extension of time.
2. Because of the failure of the District to comply with the Commission's Order entered May 7, 1981, the Commission will not have sufficient time to review the information prior to the hearing scheduled June 17, 1981, and the hearing should be cancelled.

3. Review of the information, when and if submitted, rescheduling the hearing, and analysis following the hearing cannot reasonably be concluded prior to the termination of the suspension date, September 15, 1981, and this case should be dismissed without prejudice.

IT IS THEREFORE ORDERED That the Motion for Extension of Time be and it hereby is overruled.

IT IS FURTHER ORDERED That the hearing in this case scheduled June 17, 1981, at 10:00 a.m., be and it hereby is cancelled.

IT IS FURTHER ORDERED That this case be and it hereby is dismissed without prejudice.

Done at Frankfort, Kentucky, this 1st day of June 1981.
